CARD OF THANKS.

Chamberlin Post and Corps desire in this public manner to express their appreciation of the cordial support received from the citizens of the town while the Department Encampment of the G. A. R. was their guests last week. Their sympathy and assistance rendered, especially when conditions were adverse in the extreme, the aid received was of that nature that both hosts and guests could but be at their ease. The coming to our help of all musical organizations, automobile owners, in fact the door being opened so wide that all the delegates from seven patriotic organizations of the state represented, failed to occupy the room offered. This cannot fail to show to this Green Mountain State what St. Johnsbury can and is always ready to do for her sons and daughters. When the invitation was extended to the Department to come to us with its

Here's the Big News

Mayo's is always good news for the pipe. It scores a clean "beat" over any other smoke in the press-room. Hustling, wide-awake New England printers and pressmen are good judges of type—and they know that Mayo's Cut Plug is the best type of rich, sweet, pleasant smoking tobacco.

Mayo's Cut Plug tobacco just suits the man who wants an all-day-long, year-round pipe-smoke—always mellow and comforting, sweet and satisfying.

Mayo's Cut Plug

We use pure Burley leaf in Mayo's—carefully aged to make it delightfully mellow and rich and fragrant. Then Cut Plug, so it packs well in your pipe, burns evenly and smokes cool and pleasant.

Mayo's is the famous "always good" tobacco. For over 40 years Mayo's has been made in the same factory, by the same people. That's why Mayo's quality has never varied—has never failed to give healthful enjoyment and satisfaction.

Sold everywhere in handy 10c pouches.
